A photograph of three modern side tables and a vase of flowers. The tables are arranged in a row against a background of vertical wooden slats. The table on the left is labeled 'Estella', the middle one 'Alphecca', and the right one 'Meissa'. Each table has a round, light blue glass top and a polished chrome frame. The bases are circular and reflective. To the left of the tables is a white, textured ceramic vase filled with pink and yellow flowers.

LEGAL TEXTS

Terms and conditions for rental furniture**1. APPLICABILITY OF CONDITIONS**

The services, offers, and deliveries of T-EXO GmbH are provided exclusively based on these terms and conditions. Any deviating or opposing terms of the customer are hereby rejected. Amendments, changes, or side agreements shall only become effective through written confirmation.

2. RENTAL ITEMS

All furniture, equipment, and other accessories listed in the order confirmation are considered rental items. The renter receives these for normal use.

3. RENTAL PERIOD

The rental items are provided to the renter only for the agreed purpose and duration. In case of non-compliance with the rental period, the lessor is entitled to charge additional rent calculated anew. The lessor's right to claim further damages remains unaffected.

4. PRICES

The lessor's offers are non-binding and only become effective upon written confirmation. All rental prices are net prices, payable without deductions and subject to the applicable statutory VAT. Unless otherwise agreed, the following services are not included in the rental price and will be charged separately:

- Delivery
- Assembly and disassembly
- Collection of rental furniture

5. DELIVERY AND COLLECTION

Rental furniture will be delivered and made available before the event starts unless otherwise specified. They will be collected promptly after the event concludes. The renter must ensure that the rental items are ready for collection. If the renter prevents the collection of rental items through fault, the lessor may charge for additional effort. Self-collectors are advised that rental items may only be transported in suitable, enclosed vehicles. In case of delayed payment, the lessor reserves the right to withhold delivery or retrieve already delivered rental items prematurely.

6. LIABILITY & USAGE

If the rental items are damaged or lost, the renter may be held liable for the replacement value or repair costs, as long as these do not exceed the replacement value. The lessor's claims for further damages and rent payment remain unaffected. The renter's liability begins with the takeover of the items and ends upon their return to the lessor. For trade fair orders, liability begins with delivery to the exhibition stand and ends upon collection, even if the stand is unattended. Unless another collection date is agreed upon, liability ends 24 hours after the event's conclusion. The lessor is not liable for property damage or personal injury caused by the use of the rental items unless due to intent or gross negligence.

7. INSURANCE

The rental items are not insured, and the renter is obliged to insure them against theft. The lessor requires immediate proof of the completed insurance.

8. CANCELLATION

Orders can be canceled up to 14 days before the event or the agreed delivery date. In the event of later cancellations, the full rental fee is due. However, if re-rental is possible, the customer will only be responsible for the costs incurred up to that point. If the lessor cannot provide an equivalent or superior replacement, the renter has the right to withdraw from justified complaints.

9. JURISDICTION

The place of performance for both renter and lessor is the location of the lessor's headquarters. If the renter is a merchant, the lessor's headquarters shall also be the place of jurisdiction. German law applies, including for transactions with foreign accounts.
